GETTING STARTED WITH GCOMPRIS

ABOUT ME

- Sophomore from Panjab University, Chandigarh
- Open source enthusiast.
- Student contributor, GCompris.
- Season of KDE developer, GCompris

MY JOURNEY

Came to Conf KDE 2016 with problems:

1. Not knowing where to start.
2. Confused O_O .
3. Just started with Qt but Qt docs were overwhelming for me.
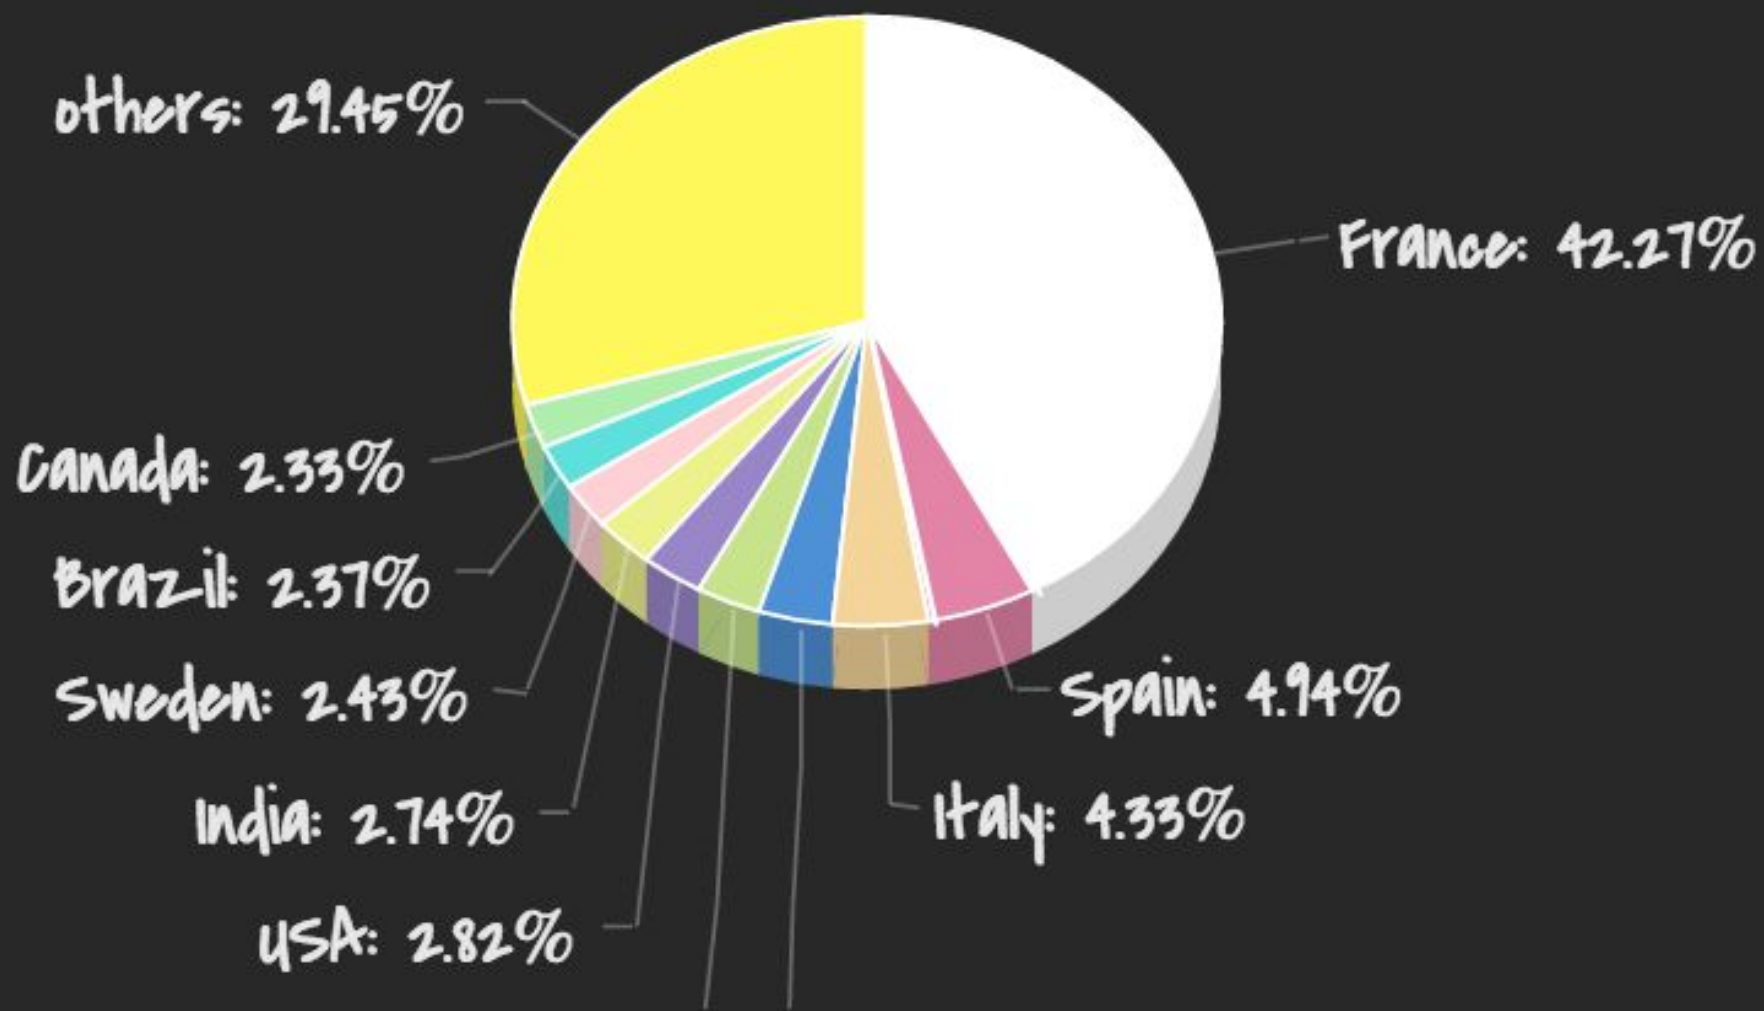

GCOMPRIS

What is GCOMPRIS?

GCompris is a high quality educational software suite comprising of numerous activities for children aged 2 to 10.

We just released 0.70 version with 137 activities and 15 languages fully supported.

http://gcompris.net/screenshots-en.html

Why should you contribute?

- GCompris is used widely in schools, hospitals etc.
- We don't replace parents, teachers and traditional approaches.
- Activities help children to acquire knowledge differently.
- Experience from real life project.
- An awesome community :)

others: 29.45%
